10 August 1982

MEMORANDUM FOR: Director, Office of Communications

FROM: [   ]   25X1
                 Director, Office of Imagery Collection and Exploitation
                 Intelligence Community Staff

SUBJECT: Request for Priority Allocation of STU II KY-71 Secure
                 Telephone Equipment [   ]   25X1

REFERENCE: A. Memo from D/PTO to Ground Satellite Division/CPG/OD&E
                     [   ], dated 29 May 1981 [   ]   25X1
                 B. Form 1716 dated 2 July 1981
                 C. Form 88 dated 21 July 1981

1. Reference A. requested priority allocation of two STU II units for
the PHOTINT Tasking Office, now named the Office of Imagery Collection and
Exploitation (O/ICE), and stated a total requirement for four units. [   ]   25X1

2. Reference B. authorized expenditure of FY 81 funds to procure two (2)
KY-71 units for the O/ICE. Reference C indicates two units were
requisitioned. The purpose of this memorandum is to rearticulate the
immediate need for the secure voice link between the [   ]   STAT
[   ] and [   ] at   STAT
[   ]   25X1

3. The O/ICE personnel assigned at the CSC are responsible for pre-
mission planning and on-orbit dynamic tasking of [   ] A   25X1
dedicated secure telephone link is essential to enable them to effectively
meet these responsibilities. In view of this need, O/ICE's critical first
priority need is for a KY-71 unit to be located at the [   ]   25X1
[   ] The KY-71 unit allocated for the [   ] has   STAT
been installed at [   ] operations area. As soon as a unit   25X1
can be installed at the [   ] timely communications can be established to   STAT
support the current [   ] It is requested that the allocated KY-71 25X1
unit for the [   ] be transferred to the Office of Development and Engineering   STAT
(OD&E), Terrestrial Communications, attention [   ] as soon as   25X1
posible. [   ]   25X1
